### Written (Writing)

- Writing conveys meaning.
- People write to tell about their experiences, ideas and feelings. Everyone can express themselves in writing.
- People write to communicate.
- The sounds of spoken language can be represented visually (letters, symbols, characters).
- Consistent ways of recording words or ideas enable members of a language community to understand each other's writing.
- Written language works differently from spoken language.

- People write to communicate.
- Writing and thinking work together to enable us to express ideas and convey meaning.
- Asking questions of ourselves and others helps to make our writing more focused and purposeful.
- Applying a range of strategies helps us to express ourselves so that others can enjoy our writing.
- The sounds of spoken language can be represented visually (letters, symbols, characters).
- When writing, the words we choose and how we choose to use them enable us to share our imaginings and ideas.

- Thinking about storybook characters and people in real life helps us to develop characters in our own stories.
- Applying a range of strategies helps us to express ourselves so that others can enjoy our writing.
- When writing, the words we choose and how we choose to use them enable us to share our imaginings and ideas.
- The structure of different types of texts includes identifiable features.
- We write in different ways for different purposes.
- Asking questions of ourselves and others helps to make our writing more focused and purposeful.

- Thinking about storybook characters and people in real life helps us to develop characters in our own stories.
- Knowing what we aim to achieve helps us to plan and develop different forms of writing.
- Rereading and editing our own writing enables us to express what we want to say more clearly.
- Effective stories have a purpose and structure that help to make the author's intention clear.
- Asking questions of ourselves and others helps to make our writing more focused and purposeful.
- Writing and thinking work together to enable us to express ideas and convey meaning.

- Writing and thinking work together to enable us to express ideas and convey meaning.
- Asking questions of ourselves and others helps to make our writing more focused and purposeful
- Synthesizing ideas enables us to build on what we know, reflect on different perspectives, and express new ideas.
- Synthesizing ideas and information from texts leads to new ideas and understanding.
- Identifying the main ideas in the text helps us to understand what is important.
- Knowing what we aim to achieve helps us to plan and develop different forms of writing.
- Through the process of planning, drafting,

			<ul style="list-style-type: none"><li>• Through the process of planning, drafting, editing and revising, our writing improves over time.</li><li>• Synthesizing ideas enables us to build on what we know, reflect on different perspectives, and express new ideas</li></ul>	<p>editing and revising, our writing improves over time.</p> <ul style="list-style-type: none"><li>• The way we structure and organize our writing helps others to understand and appreciate it.</li><li>• Rereading and editing our own writing enables us to express what we want to say more clearly.</li></ul>
