

SANSKAR SCHOOL

The Revival of Tradition

Introductory letter 2021-22

Theme 2- Sharing the Planet

Grade Vatika

Date: 29th July 2021

Dear Parent,
Welcome to the world of joyful learning!

Parents and teachers are the guiding light in our children's life. It is our collaborative efforts that evolve and polish their innate talents and gradually gain knowledge about facts related to life and the world. We look forward for your support and cooperation to make this journey fruitful for our students.

Transdisciplinary Theme	Sharing the planet
Central Idea	Animals and humans depend on each other.
Lines of Inquiry	<ol style="list-style-type: none">1. Various animals around us2. Things we get from animals3. Taking care of animals
Key concepts	<ul style="list-style-type: none">■ Form: Learners will be able to know about various animals, their habitat, unique features, food, house, babies and sound.■ Connection: Learners will understand the connection between human being and animals and importance of animals in our lives.■ Responsibility: Learners will also understand responsibilities towards animals like: how to take care of animals.
Learner Profile	■ Knowledgeable: Learners will develop this learner profile by inquiring further about animals and thus gaining knowledge.

	<ul style="list-style-type: none"> ■ Caring: Learners will understand the importance of animals in human’s life and show their positive attitude towards them.
Approaches to learning	<ul style="list-style-type: none"> ■ Research Skill: Learners will develop this skill through picture reading, multimedia and surrounding observation about difference between land, air and water animals. ■ Communication Skill: Learners will talk about various animals, their habitat, food, home, sound etc.
Subject Focus	Languages, Math, Science, Social Studies, Arts, PSPE.
Suggested website	https://www.youtube.com/watch?v=GACuIKJwIz0 https://www.youtube.com/watch?v=ppVUYakfSq4 https://www.youtube.com/watch?v=_6HzoUcx3eo https://www.youtube.com/watch?v=Oxw6FoUNeT4 https://www.youtube.com/watch?v=RmFpOP7Z2ww https://www.youtube.com/watch?v=UzogQOwVmNQ

Following are some activities that you could enjoy with your child at home

- 1) Talk about different animals—their features, uses, sound, home etc.
- 2) Read or narrate stories about animals.
- 3) View informative TV channels like Animal Planet, National Geographic etc.
- 4) Visit the city Zoo or any animal shelter virtually.

During the theme or even later, if you observe your ward’s responsible actions, kindly bring it to our notice, so that it could be highlighted in the class.

We look forward for your support and cooperation in this journey of learning.

Thank You
