Task 1

Watch the video about WarliArt and read the given sheet. Present your understanding through mind map.

https://youtu.be/FTq45_D-w0U

This art was first explored in the early seventies & from then it was named as “Warli art”. Tribal people express themselves in vivid styles through paintings which they execute on the walls of their house. This was the only means of transmitting folklore to a populace not acquainted with the written word. Warli paintings were mainly done by the women folk. The most important aspect of the painting is that it does not depicts mythological characters or images of deities, but depict social life. Pictures of human beings and animals, along with scenes from daily life are created in a loose rhythmic pattern. Warli paintings are painted white on mud walls.

Task 2
