MAKE IT GREEN

Lives are crying because it's not clean,
Earth is dying because it's not green...
Earth is our dear Mother, don't pollute it,
She gives us food and shelter,
just salute it...

With Global Warming, it's in danger,
Let's save it by becoming a strong ranger...

With dying trees and animals, it's in sorrow,
Make green today and green tomorrow...

With melting snow, one day it will sink,
How can we save it, just think...

Trees are precious, preserve them,
Water is a treasure, reserve it...

Grow more trees, make Mother Earth
green,
Reduce pollution and make her a
Queen...

PRIVATE MEDICAL INSTITUTE
Established in 1850 by
DR. J. C. YOUNG,
540 WASHINGTON STREET
BELOW MONTGOMERY.
DOPE TO THE AFFLICTED
[From the Tuolumne Courier.]
If you are sick and would have health; if you are in trouble and would have happiness, read the advertisements of the Private Medical Institute, established by Dr. J. C. Young in 1850, and follow its advice. The reputation of that renowned Institute annually cured under its treatment, speaks its fame. Do not hesitate, if you require medical aid for any ills to which flesh is heir.
Nominal Weakness.
There is no disease more common, no more dangerous, than that arising from the degenerative organs. It is the source from which spring so many of the various troubles which are treated under the various titles of Lymphatic Complaint, Indigestion, Dyspepsia, Heart Disease, Lung Complaint, etc. It arises most frequently, though not altogether, from self-abuse, and I set it down as an incontrovertible fact that no one who has progressed that vice, even in the slightest degree, is free from the seeds of the disease. If may feel well now, or only notice transient symptoms; but so insidious is it, it will appear in some distressing form sooner or later. Let all who have reason to fear it baleful pressure, submit his case at once to the Institute, 540 Washington Street where a perfect and permanent cure is secured in all cases. Do not be deterred by a false sense of shame, for delay may prove most
