MINI EXHIBITION

*In the world of storytelling, artefacts can tell us a lot about someone's personal history and experiences. These artefacts can help us gain insight into the lives of our family members and ancestors—even ourselves.*

Choose and present an artefact from your home to which you or your family is closely associated. Shed some light on

- its history
- memories connected to it
- its transformation and
- connection with the modern times.

**GLOW and GROW Peer Feedback Routine**

<b><u>Topic - Artefacts tell their own stories</u></b>
