UOI:

Read the poem

Soil

There are 5 component of soil
Can you name them all?
Sand, silt, humus, rock and clay
Soil is made from weathering
Rocks are broken down by
Wind, heat and rain
Erosion washes soil away
Or blows it to the wind
Protect it save it
Don't spoil the soil
Stop the use of chemicals
Instead go organic
That is good for you
And for the health of the soil
Don't cut the trees
Their roots hold the soil in place
Soil support life on earth
We all depend on soil
So don't forget this
Don't spoil the soil

After reading the poem write your understanding in three points.

Which Learner profile do you think you have developed and why?

I become _____ because _____

Summative Assessment
