

Introductory Letter 2021-2022 Theme 5 – How We Express Ourselves Grade 2

Date: 29th November 21

In this theme, the learners will enhance their knowledge by exploring different signs and symbols seen around them. They will connect signs and symbols with their daily life. They will develop their communication skills with the help of signs and symbols.

Signs and symbols can be used to communicate messages.

- Role of signs and symbols
- Importance of signs and symbols
- Messages conveyed by various signs and symbols

- <u>Function:</u> Learners will identify and describe features of signs and symbols which are used to communicate messages.
- <u>Causation:</u> Learners will research on the reasons to use signs and symbols. They will understand that there are various types of signs and

symbol can be used in different context if we slightly modify it. • Perspective: Learners will show how a shape or an image can represent to convey an original message. Learners will infer reasons for using various signs and symbols. • Communicator: Learners will express their ideas and information confidently and creatively in different ways using various signs and symbols. • Open-minded: Learners will acknowledge significance of symbols and respect them and duly follow them. They will understand that postures, musical notes, emojis etc. can be used to express feelings. • Social Skill: With the help of signs and symbols learners will develop inter-personal relationships and collaboration skills. Signs and symbols are powerful tool to convey emotions. • Self-management Skill: Learners will manage themselves when they are in the actual world. They will come to know how signs and symbols can guide them to find the correct path.		symbols around the world and one

At Home Reinforcement

Following are some ideas that parents can discuss with the child at home to reinforce what they are learning in real life situations:

- Encourage your child to gather information about various signs and symbols.
- Encourage your child to notice signs and symbols which are around them.
- Read stories which contain signs and symbols.
- Help them to explore the meaning of different symbols which are used in techno-world.
- Try to communicate with the help of signs and symbols.
