

SANSKAR SCHOOL

GRADE-3

Assignment - 17

Date: Monday, 13th December 2021

**English-
Task**

- Write a paragraph on **My last birthday** (50-60 words)
- Map the story **The Seven Snowmen**.

Story  **Map**

Name: _____ Book Title: _____

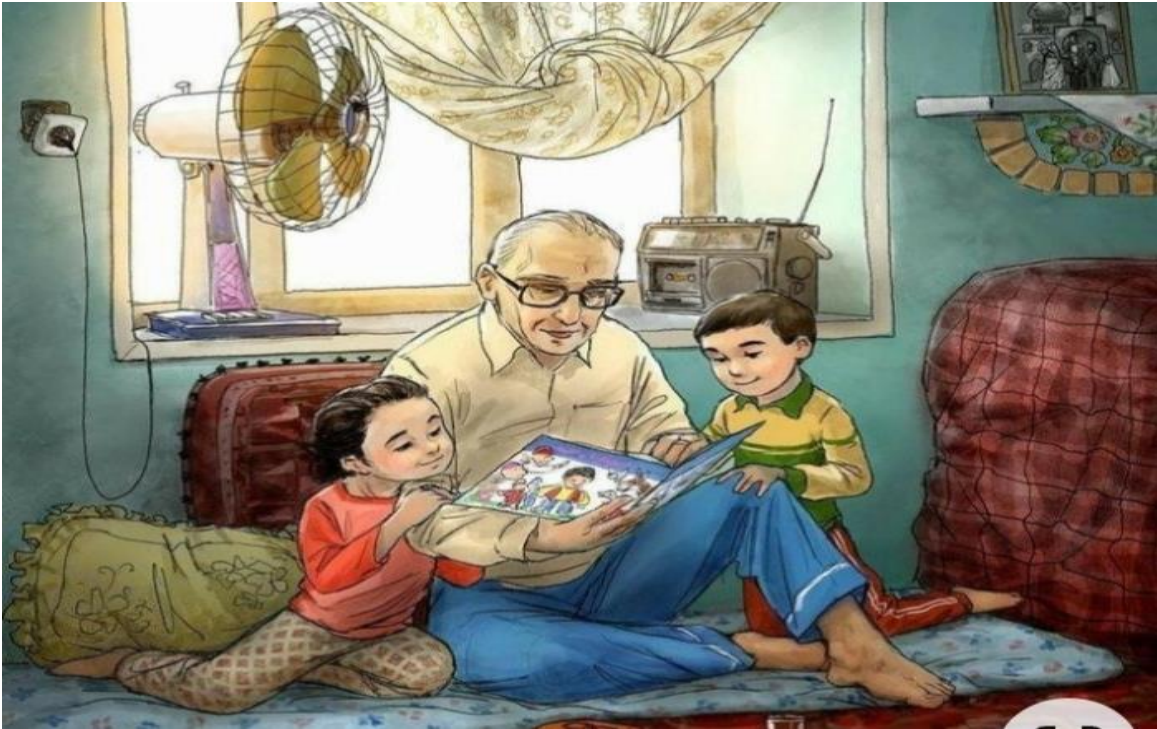

Characters

Setting

Problem

Solution

- Observe the image and share your experience in 50-60 words

Maths

Task 1 :

Watch the video to understand measurement and conversion of weight.

<https://youtu.be/ivAD44nh0D0>

Read pages 149 and 150. Do Classwork on pages 150 and 151 in the resource book.

Task 2

Classwork: Do Ex 8C (page 152) Qs 1,2,3 in resource book and Q4,5 (e ,f ,g) in notebook.

Home work: Do Qs 4,5(a ,b ,c) in note book and Qs 6,7 in resource book.

Hindi

- चित्र देखकर अपने शब्दों में वर्णन कीजिए (50-60 शब्दों में)

तितलियाँ

कार

उपवन

गेंद

झूला

- पानी या हवा पर कविता लिखें ।
- अनेक शब्दों के लिए एक शब्द **दोहरान कार्य (17/12/2021)शुक्रवार**
- **Reading assessment of रूपा डरी नहीं ।**

UOI

Task 1

Fluidity – The ability of a substance to flow easily.

Viscosity – It is the ability of a fluid (liquid) to resist flow or thickness of fluid.

Teachers will perform experiments to show viscosity and fluidity of substances.

Things required – fevicol or glue, honey, water and milk

Record your observations in the table.

Experiment performed	Observation	Conclusion

For enhancing your knowledge and to get an answer to your curious questions watch the video carefully.

<https://youtu.be/GRqxcvCNmYg0>

Task 2: To understand what kind of matter float or sink in water, let's conduct the following experiment and watch the video.

<https://youtu.be/ihZahi878Jk>

Theme vocabulary- Density – Mass of a unit volume of a material substance.

The worksheet is titled "Sink or Float?" and features an anchor icon on the left and a sailboat icon on the right. Below the title is a line for the student's name. The main part of the worksheet is a table with the following structure:

Object	What do you think will happen?		What actually happened?	
	Sink	Float	Sink	Float

G.K. : Assesment

Watch and learn basic fitness exercises with strong immunity, stamina and strength.

Music

JINGLE BELLS

Dashing through the snow
In a one-horse open sleigh,
O'er the fields we go,
Laughing all the way.
Bells on bob-tails ring,
Making spirits bright.
What fun it is to ride and sing
A sleighing song tonight, oh!
Jingle bells, jingle bells,
Jingle all the way.
Oh what fun it is to ride
In a one-horse open sleigh, hey!
Jingle bells, jingle bells,
Jingle all the way.
Oh what fun it is to ride,
In a one-horse open sleigh.

Part 2

Now the ground is white,
Go it while you're young.
Take the girls tonight,
Sing this sleighing song.
Get a bobtailed bay,
Two forty for his speed,
And hitch him to an open sleigh,
And you will take the lead.

Oh, jingle bells, jingle bells,
Jingle all the way.
Oh! What fun it is to ride,
In a one-horse open sleigh, hey!
Jingle bells, jingle bells,
Jingle all the way.
Oh! What fun it is to ride,
In a one-horse open sleigh,
Oh, what fun it is to ride
In one horse open sleigh!
