

SANSKAR SCHOOL
GRADE-5
Assignment 9
Date: Monday, 15th November 2021

ENGLISH:

Task: Introduction of Informal Letter writing through presentation and samples.

MATHS:

Task: **SUMMATIVE ASSESSMENT**

Conceptual understanding:- Conversion of units and measurements (Time duration) allow us to make sense of the world we live in.

Exploration is a result of human curiosity, pursuit of trade, spread of religious ideas and expansion of political power, to name a few. Exploration done over various centuries has led to discoveries, expansion of geographies, development of technology and increasing interconnectedness between people from different continents.

Let us go back in time to understand and study various explorations that have played an important role in forming the world that we live in.

Task 1:- Collect the following information of any five Explorers and their discoveries.

- a) Name of the Explorers.
- b) Mention the country of origin of the explorer and the countries they explored?
- c) Mention the year in which they started and completed the voyage?
Subsequently, calculate the number of years between the start and completion of the voyage.

Task 2: Arrange the name of the explorers (any five) and the **Time duration** of the voyages in the form of a **Timeline**. (You can stick pictures of the explorers).

NAME OF EXPLORER **TIME DURATION**

Task 3: Reflect on your research and write the skills and learner profile you have developed while doing this task.

REFLECTION: - _____

RUBRICS

G.K:

Task: Do page number 62,63,64 and 65 in your G.K. book.

MUSIC:

I see trees of green
Red roses too
I see them bloom
For me and you
And I think to myself
What a wonderful world

Part 2

I see skies of blue
And clouds of white
The bright blessed day
The dark sacred night

**And I think to myself
What a wonderful world**
