Kitchen Tour

It's time to take a tour to your kitchen. I am sure you go there many times in a day but this time take a pencil and copy with you.

Now list out 10 to 12 things that you see in your kitchen.

Listing done. Great!

Fun part starts now, use your thinking skills and sort out the matter on the basis of same qualities (colour, shape, size or any other sorting criteria). Also tell "What makes you say that"

G.K.:

Do pages 34 and 45 in General knowledge book.

MUSIC:

As there are three states of matter, so find out any two instruments:

1. that are in solid state
2. in which liquid is used to make sound
3. in which gas is required to make sound.

*** Do it in your Inquiry Book.**
