

HOW WE EXPRESS OURSELVES

In this unit, learners will learn about the ways of expressions through verbal and non-verbal aspects including body language and gestures. The theme will widen the perspective of learners as they will inquire about multiple strategies of expressing feelings and communicating ideas in a responsible way to influence the society.

Central Idea- Ways in which we express our ideas and feelings have an impact on societies and communities.

Lines of Inquiry-

- Positive ways of expression
- Impact of expressions on society
- Responsible ways of expression

As each learner engages in the learning process, He/she will have the opportunity to develop the following -

Key Concepts-

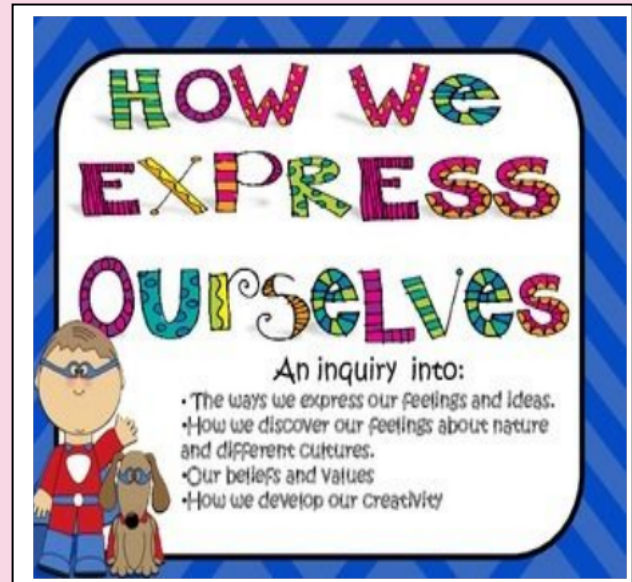

- ★ **Form-** They will explore the various elements of verbal and non-verbal communication.
- ★ **Connection** – They will explore how various means of expressions convey different messages in community.
- ★ **Responsibility-** They will be able to identify responsible ways to communicate ideas through verbal and non-verbal ways.

Learner Profile -

- ★ **Communicator-** They will learn to communicate messages, thoughts and feelings effectively and explicitly to others.
- ★ **Open-minded** -They will learn to be receptive of the ideas and perspective of others.
- ★ **Risk Taker** – They will be able to independently select self way of expression and explain their choice for it.

Approaches to Learning -

- ★ **Social Skill-** They will learn the importance of expression and its impact on a society.
- ★ **Communication Skill-** They will be able to convey ideas and feelings effectively and respectfully.

At Home Reinforcement

The following are some ideas that parents can discuss with the child at home to reinforce what they are learning at school in real life situations-

- Encourage your child to read texts around including books and journals and discuss their perspective.
- Discuss the influence of different forms of 'Arts'.
