Assignment 34

Date: Thursday, 25th February 2021

ENGLISH:

Watch the video on Articles (A, An and The) and underline them in the passage

<https://youtu.be/gWmBX5ULMGA>

Hardworking Peter

Peter is a young man. He is a graduate from the University of Cambridge. He has specialisation in physics, mathematics and astronomy. He is working at the local planetarium. He is in charge of a giant telescope. The telescope is an optical instrument that makes distant objects appear large. This telescope is a high-tech German telescope with an impressive casing and a high-resolution lens. Even with a naked eye, the visitors can see the sun, the stars and the planets.

Peter is a very knowledgeable young man. He explains to the visitors the origin of the solar system, the details of the 'Big-Bang Theory' and other scientific facts about the universe. He uses models, a chart, and an American multi-media video player along with a projector to make it an audio-visual delight for all the visitors. He is paid by the hour and earns a total of ten pounds an hour. He is an honest, a hardworking and an honourable man.
