

Assignment 34

Date: Monday, 10th August 2020

ENGLISH:

The Sentence: Watch the video carefully and do exercise E, F and G in the book.

https://youtu.be/zwQ4Yw_74Ws

MATHS:

TD Theme - How The World Works

Summative Assessment

Conceptual Understanding –Data can be collected, organized, displayed and analyzed in different ways.

TASK 1 – Research about three endangered species of different region. (Aquatic, Arctic, Forest and Desert) (learners will divide in four groups)

TASK 2 – Round off the number in 100 /1000 and so on.

TASK 3 – Represent the information through Bar graph or line graph.

TASK 4 – Find out any three main factors behind the decrease of the number of these species. (commonly or separately)

TASK 5 – When a species become endangered, it is sign of **RED ALERT**. What do you think about this, express your feelings as reflection and write down the skills, key concepts and learner profiles which you think you have developed while doing these tasks.

REFLECTION

Note: Do work neatly and systematically. Your work will be assessed as per your understanding and way of presentation.

 Table target of this week- Revise tables from 2 to 15

HINDI:

वीडियो देखकर अभ्यास कार्य -पत्र करिए

https://youtu.be/W1ULwUCPq_M
